

## Long Barrel Tinned Copper Cable Terminal End Long Barrel Terminal Ends in Copper / Long Barrel Cable Lugs

We manufacture and export Long Barrel Tinned Copper Cable Terminal End. Our range of Cable Lugs and Terminal Ends also includes Long Barrel Cable Lug. We offer Long Barrel Tinned Copper Cable Terminal Ends in copper finish of Electro Tinned to BS 18721984. Manufactured under strict quality control and confirm to the specification and requirements of our clients.

### Field Of Applications

Electricity Boards: Generation, Distribution

Electrical Industries: Control panels, Switch gears, Transformers, Circuit breakers

Projects & Industrial for Electrical applications: Shipping, Automobile, Steel & Fertilizers, Chemical, Cement and Textile, Chemical Electronics, Mining Aeronautics, Satellite and Communications.

**MATERIAL** - E - COPPER  
**FINISH** - ELECTRO TINNED  
**FEATURES** - WITH INSPECTION HOLE
